

**NEW
PRODUCT**

The new MPW series comes in a metal upper and lower receiver for a realistic feel. In addition, the newly designed Keymod RIS reduces the weight of the gun substantially compare to a traditional quadrail, giving the user faster maneuverability. With a pre-installed mosfet and Electronic Trigger Unit (E.T.U.), the MPW caters to all type of players from CQB to Milsim.

GC16 MPW 7"/9"/12"

Foldable back-up sights

GC16 MPW 12"
